Welcome

TO THE MRS. FLORIDA AMERICA,
MRS. FLORIDA AMERICAN
& MISS FLORIDA FOR AMERICA STRONG

2023 PAGEANT AT WESTGATE
LAKES RESORT & SPA

Ladies and gentlemen, welcome! An intensive search has been conducted throughout the state of Florida to find the most stunning and articulate representatives to take part in this year's Mrs. Florida America pageant. These ladies possess the perfect combination of beauty, personality, glamour and service to community. As a former Mrs. Florida America myself, I am looking forward to the crowning of this year's new Mrs. Florida America with a great deal of excitement. The winner will have wonderful opportunities to promote the State of Florida as well as the businesses and charities she represents. For all the contestants and everyone involved, tonight will create memories that will last a lifetime.

I accepted the role as Director in 2008 with a strong sense of commitment and devotion. My objective for this pageant is for all contestants to feel honored to be a part of this grand event. I am eager to give these women the same opportunity I received to meet other strong, successful, beautiful married women across the state. The Mrs. Florida America Committee and I are especially proud of the friendships that are being forged between the contestants during this time. All of these women are winners in my eyes and I wish I could crown them all!

I would like to extend a thank you to everyone who has helped to make this event a success. To the contestants' families, you have stood beside them every step of the way, and your love and support does not go unrecognized. To the judges, who have the difficult task of choosing one winner out of all the outstanding ladies representing their regions, you have my sincere appreciation. To the Mrs. Florida America Committee members, without you, tonight would not have been possible. And last but not least, a big hug to my family--my husband, my children, my mother and my extended family for your love and support.

I hope you will enjoy getting to know this year's contestants for Miss Florida for America, Mrs. Florida America and Mrs. Florida American. Who do you think will take home the crown?

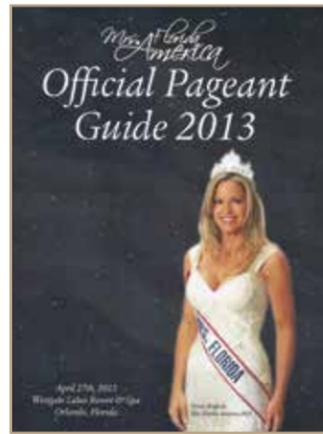

Sincerely,

Jacqueline Siegel

MRS. FLORIDA AMERICA
2022

A year ago I embarked on my journey as Mrs. Florida America. I never dreamed I would actually have a shot at walking across the stage that weekend-representing my state-but I knew if I was chosen I had what it takes to represent what the crown stood for. Before walking into pageantry at 38 years old, I truly just wanted to experience what feeling beautiful would be like. There were other motivations, but that one stood out after years of a lengthy transformation process I had undergone. I came as I was. A late bloomer in wellness and athleticism, confidence was new-ish and my adoption of purpose and self-love was too. As a wife, mother, entrepreneur, Non profit leader and a public figure in my community, my passion to inspire other little girls who resembled my own inner child was on fire. So I walked in as a servant leader without a crown, and I walked out the same leader with a little extra shine.

I am very grateful that my sister always encouraged me to see all of life's challenges as my fuel and an opportunity. I am forever grateful that I have had an opportunity to represent Florida, an opportunity to serve, and an opportunity to share my "almost didn't happen" comeback story.

This crown was never mine— it belonged to the old me, the inner child deep down and to YOU. This crown has always been OURS.

Endless thanks goes to my family, friends, and coach for relentless pushing and forcing me to lean in to what I could be.

Thank you to my grandmother for always demonstrating kindness, wisdom and resilience. Although you are not here, your encouragement has strengthened me more than you will ever know.

To my husband, thank you for always being my biggest cheerleader. When I felt doubt you shared faith. Whether it was making a joke to cheer me up, or literally traveling the extra mile, you always made sure I knew you were right there with me.

This year I have traveled across our beautiful state, and I loved every minute of it. It was an honor to sit by, so many children-sharing wisdom and possibly with them. To my sister queen, I have never laughed so much as I did with you Marianne. I will cherish those memories forever.

Leaving love and light- Forever your Mrs. Florida America 2022.

Marianne Carson Oden

MRS. FLORIDA AMERICAN
2022

Those who love you don't clip your wings. They add another feather so you can fly even higher. I have been extremely blessed to have amazing people that have added so many feathers I won Mrs Florida American at the age of 62... a record!

Becoming the National Ambassador for Beauty for Good is solely due to my involvement in the Mrs America organization. Receiving the Beauty for Good Award at the National pageant and the Angel Award at Mar-a-lago was extremely touching. During my reign I've had the honor of launching a National fundraising campaign, attended Mar-a-Lago twice, what a dream come true and President Trump reached out and shook my hand!! Graced the cover of Success Sisters magazine, Spoke on behalf of Victoria's Voice in New York, DC, TN, Missouri and throughout Florida has been an honor and my travels will continue this year. Being highlighted on Talk Radio to inspire women of my age that you ABSOLUTELY CAN get back in shape, opening for the ALL-STAR Nashville band was a thrill, giving out backpacks to kids with my sister Queens was a blast. Being a title holder has opened beautiful doors and I'm beyond grateful.

To the people that placed a feather in my wings so I could fly - Jackie there are no words that can express how amazing you are and you've been one of the most supporting friends thank you, Joleigh you are an angel and your dedication and work to make everything perfect is so very loving. Renee & Mary you are the best cheerleaders a girl could ever have, Deb your bright beautiful eyes and your warm smile is always like getting a big hug. Thank you for being a sweet Mama bear, Carlos & Ali Lee you are pure magic, Jason Seiler my hair was fabulous TU, Cary & David I adore you! Any day at Regalia is a wonderland.

Jennifer my beautiful sister Queen your laughter, love and support will be in my heart until the day I die. You are my soul sister.

To the next Mrs Florida American enjoy the ride it's a blast. I will always be there to hand you a feather.

Mrs Florida American, Marianne

Hannah Vance

MISS FLORIDA FOR AMERICA 2022

Florida, what a year it's been! I've been so honored to wear our great state across my chest for the past year, representing this incredible organization. From having the opportunity to speak about the mental health crisis, to walking across the National stage, to helping mentor the candidates now competing for this crown, my heart has never felt so full.

While ultimately you are competing against yourself for this job, I absolutely could not have done it alone. Thank you to my amazing family, especially my dad, stepmom, and sister for being constant shoulders to lean on.

To all my sponsors, none of this would've been possible without your support. Thank you to David & Carry of Regalia for dressing me beautifully at Nationals, to Ali Lee & Carlos Velez for working your magic on our headshots, and to Liz Sheppard for being such a wonderful mentor.

Thank you to David & Jackie Siegel for pouring your hearts into this pageant and giving me, so far, one of the best years of my life. Your work & commitment to raising awareness for the current opioid epidemic is absolutely inspiring and I will always be proud to represent you.

Joleigh, thank you for always answering my endless questions and for being a constant voice of reason & solution. I can never tell you enough how much I always appreciated your kind words, thoughts, and encouragement.

To the new Miss Florida for America, take your time and be intentional with your crown. A year flies by faster than you think, however, it's how you fill that time that really matters. Say yes to anything you can & be a presence in the community.

As I take this final walk, I can't help but think about how grateful I am to have had this experience. Regardless of the many "no's" I received, I firmly believe that those closed doors led me to this moment. I will treasure my year forever and continue to carry this legacy with me. With an overwhelming amount of love & gratitude, for the final time, I am Hannah Vance signing off as your Miss Florida for America 2022.

WELCOME TO
VERTICAL LENDING

Vertical Lending, a mortgage company, was established in Florida in 2006. From the beginning, Vertical Lending has utilized state-of-the-art technology to streamline obtaining a home loan. Our system allows consumers to stay current on status updates and dramatically improves the processing time. Over the past fifteen years, the housing crises and the economy have forever shaped the mortgage broker industry. Increased regulation has caused many mortgage broker businesses and Lenders to close their doors. Vertical Lending used the crisis and economic situation to educate home buyers better and provide bona fide home loan solutions for real challenges in the ever-changing environment.
